LIVE UNITED

We all win when a child succeeds in school, when families are financially stable, and when people have good health. That's why your United Way is focused on education, income and health - to create opportunities for a better life for all people in Montgomery, Greene and Preble Counties. Our goal is to create long-lasting changes that prevent problems from happening in the first place.

We invite you to be a part of the change. Together, united, we can inspire hope and create a better tomorrow. That's what it means to LIVE UNITED.

**Please increase your corporate pledge in 2008 ...
our community needs your support.**

Thank you!

This is your United Way, and your opinion matters. To share your thoughts or concerns, please contact Marc Levy, President and CEO, at (937) 225-3014 or marcl@dayton-unitedway.org.
