

Community Investment Priorities for Income

United Way of the Greater Dayton Area is bringing together partners from business, community organizations and the local government to help individuals and families achieve financial stability and independence. Our goal is to empower individuals with the tools and skills necessary to maximize their income, maintain safe, affordable housing and meet their basic needs.

Target populations: At-risk family structures such as unemployed, under-employed and dislocated workers and their families; single parents, grandparents raising grandchildren, pregnant and parenting teens, isolated single elderly, people living with disabilities

Priorities:

Basic needs & Financial Independence

- Emergency Food
- Emergency Financial and Material Assistance
- Life Skills
- Job Training and Retention
- Technical Skills Training
- Adult Literacy Skills
- Financial Literacy
- Foreclosure Prevention/Intervention
- Safe Affordable Housing
- Legal Services for Vulnerable Populations
- Career Exploration and Development
- Shelter (Shelter Programs in Montgomery County should apply for funding through the Homeless Solutions Policy Request for Proposal)

Community Investment Priorities for Health

United Way of the Greater Dayton Area (UWGDA) is working to ensure that individuals in our community have access to affordable and quality health care and wellness programs as well as preventative services that lead to safe, healthy and rewarding lives. UWGDA is bringing together partners from business, community organizations and the local government to address current health and wellness issues facing the community.

Target populations: At-risk family structures such as unemployed, under-employed and dislocated workers and their families, single parents, grandparents raising grandchildren, pregnant and parenting teens, isolated single elderly, people living with disabilities, people living with medical conditions

Priorities:

- Medical assistance, Prescriptions, Medical Supplies
- Mental/Behavioral Health for Individual and Families
- Reduce Teen Pregnancy
- Substance Abuse Prevention and Intervention
- Reduce Child Abuse and Neglect
- Support Services for Vulnerable Populations
- Services and Access for the Elderly
- Services and Access for the Disabled
- Transportation
- Domestic Violence Support Services
- Services for Abused and Neglected Children and Youth and Youth Witnesses of Violence
- Counseling for Families and Individuals
