

# The Tomorrow Fund

*“Just as my parents planted for me, so will I plant for my children.”*

*-English Proverb*

The Tomorrow Fund was created to recognize donors who have made provisions to perpetuate their giving for the benefit of future generations. Their lasting legacies include bequests in wills, memorials, insurance policies, living endowments and other permanent giving arrangements naming United Way of the Greater Dayton Area. These planned gifts will continue to improve the lives of individuals in Montgomery, Greene and Preble Counties for years to come.
